Why don't you know the answer to my question?

I thought that consultants knew everything!
```

EDIT

Topic:              scribe

Question:
Hi.  Yes really a question from me.

Do you know what should be used to insert a window dump into a
Scribe fullpagefigure?

In particular, I know how to get the postscript file from xwd |
 xpr ...
```
