Introduction to SGML

MIT SIPB IAP lecture

1998−01−22

Mark Eichin *SIPB*

Resources

There are a number of net resources for SGML referenced in the talk.

- The SIPB IAP course description[1]
- SIL SGML site[2] which is an immense site with links to everything and a good keyword search engine.
- PSGML sources[3]
- The `comp.text.sgml` newsgroup and FAQ[4]
- The JADE[5] ftp site.
