File Transfer

The SIPB provides a number of file transfer services to the MIT Computing Community, including transfer among:

Quarter Inch Cartridge (QIC) tape

Exabyte (8mm 2.3Gb) tape

Macintosh (800K and FDHD) 3.5’’ disk

IBM DOS (1.44Mb) 3.5’’ disk

TK50 tape

Files can be exchanged among these formats as well as to and from Athena.
Come into our office (W20-557, x3-7788) for more information.
