Tournament Captain Responsibilities

The Tournament Captain (TC) will do the following, or assign these responsibilities to others on the team:

- take care of action items for that tournament
- confirm with or recruit needed players before the cancellation deadline - earlier if possible (if we do not cancel by the drop date we lose our money - tell Darcy if you need to cancel)
- get membership checks for any new Yankee players from Lindsay (this takes 1-2 weeks)
- [submit the roster](#) to the tournament director the week of the tournament

- arrange car-pooling
- bring 3-4 balls to tournament and returning them before the next practice
- bring uniforms to tournament (note: gym does not open until 9am on Sundays so get them before that morning!!!)
- wash uniforms after tournament and return uniforms to locker - please have just one person take care of this, otherwise uniforms tend to disappear!
- collect \$5 from MIT students and \$10 from all others; collect \$20 dues if a player hasn't paid yet - give \$ to Lindsay (remind players ahead of time to bring \$, since u-grads often seem to come with none!)
