Dear Dr. Eng:

On behalf of the Maslab staff, I would like to thank you for letting us borrow one of 6.UAT's cameras. Loaning us this camera allowed us to spend Maslab's money on other needed supplies, which can be very expensive.

As a token of our appreciation, please find enclosed a Maslab T-shirt. I've also enclosed a CD containing pictures from this year's class an contest. Some of these pictures will be available shortly on our website, <http://maslab.mit.edu>.

Thanks again.

Sincerely,

Valerie Morash  
Maslab Director
