Notes:

\$4/person max for cultural dinners

\$2/person for snacks

GSC Activities Committee will look into doing a fall outing. Contact gsc-ac-chair@mit.edu if you're interested in helping to plan this

All groups should be more conscious of their publicity and how well non-members are welcomed at events

Trips that are not necessary to the overall purpose of the group were not funded

Cultural events are encouraged to have an educational component so that non-members can learn about the culture
