

General Notes:

All groups are expected to post their events on events.mit.edu and include "GSC Funding Board" as a sponsor. Not doing this will impact your group's funding in current and future terms

Please note the new poster on the Infinite Corridor. Coordinate with the GSC Treasurer to get your event posted.

While groups may change the date of events, gsc-treasurer@mit.edu must be contacted and give approval before your group uses funds for an event different than the original one that was funded

Abbreviations used - FB=GSC Funding Board (gsc-treasurer@mit.edu), AC=GSC Activities Committee (gsc-ac@mit.edu), OC = GSC Orientation Committee (gsc-oc@mit.edu)

Upcoming for the Fall

The GSC Funding Boards has allocated funds to be used for the purchase of a wireless microphone system and a karyoke machine. This equipment should be available for rental beginning in the Fall.

Summary Notes

The FB **strongly recommends** that dorm summer BBQs events coordinate with each other to form one Dorm BBQ series. Coordinate with AC chairs to see that this happens.

(Tang and Edgerton have already taken the lead in coordinating with each other).

Enough student groups requested funding for a beach outing that the FB recommends GSC-wide outings to the beach should be planned by AC.

AC chairs may be contacting those student group (or anyone else) for assistance in planning these summer outings.

Many events are scheduled during Orientation week. Consult the OC chairs, and visit <http://web.mit.edu/gsc/www/firstyear/orientation/> to ensure your events do not conflict.
