MIT Reverse Engineering Club Constitution

Article I: Purpose
The purpose of Reverse Engineering Club of MIT (also known as REClub) is to provide MIT students a safe haven to learn and cultivate their knowledge on.

Article II: Membership
- Members of REClub will be any member of the MIT community who hopes to learn and explore the tools and principles of reverse engineering.
- Any member of the MIT community is eligible to become a member of this organization. One is considered a member of this organization in any given academic term if s/he has attended at least one club activity and one meeting in the preceding or current term.
- The organization’s membership will at all times consist of at least 5 MIT students and be more than half MIT students.
- This organization will not discriminate based on any characteristic listed in MIT’s Nondiscrimination Statement.
- If this organization charges any monetary dues, there will be exceptions made for students that cannot afford these dues.

Article III: Officers
- This organization will have a minimum of three officers:
  - President
    - The president shall be the official representative of the group to any other organization and to MIT.
    - The president will preside over all meetings. If the president cannot then a delegate will be present.
    - The president is responsible for determining when meetings are and publicizing this to the group.
  - Treasurer
    - The treasurer shall be responsible for the finances of the group.
    - The treasurer is required to sign all checks/vouchers of the group.
- All officers of this organization must be distinct current MIT students.
- Elections:
  - Elections of officers shall occur beginning of each school year.
  - Any member of this organization is eligible to run for any office.
  - Quorum for elections is two-thirds of the group.
  - Any member is elected if he or she wins a majority of the voting members.
  - If more than two people are running and no one wins a majority, then the person with the fewest votes is dropped from the ballot and votes are recast.
  - The term of office runs from one election to the subsequent election.
- Removal: Officers may be removed by a two-thirds vote of the members.

Article IV: Meetings
- Meetings shall be held Wednesday starting from the first meeting of the semester, in the evening.
● Meetings shall be presided over by the president, unless he/she is absent, and in that case the treasurer shall preside.
● All decisions shall be made by a majority vote of all members present.
● Quorum for a meeting shall be one-quarter of the members of the organization.

Article V: Amendments
● Amendments shall be presented by any member of the organization.
● Amendments shall be passed by a two-thirds voted of the members present.
● Quorum for amending this constitution shall be two-thirds of all members of the organization.

Article VI: ASA Governance Clause
The Reverse Engineering Club of MIT agrees to abide by the rules and regulations of the Association of Student Activities, and its executive board. This constitution, amendments to it, and the by-laws of this organization shall be subject to review by the ASA Executive Board to ensure that they are in accordance with the aforementioned rules and regulations.
