Dear Ms. Wilson:

I would like to cancel my subscriptions under contract # R/490. I did not recieve my subscription acknowledgemnt until Feb. 9th, and called that day about a cancelation, and am now informing you in writing as requested in that letter. Although this is 7 days after I was called about renewal, I did not recieve the acknowledgement until 7 days after that date, and did in fact call within that time.

Thank you for your cooperation.

Sincerely,

Thomas C. Murphy
