Maximum Federal Per Diem Rates	4

Introduction

This Publication contains the federal per diem rates for lodging, and meals and incidental expenses (M&IE) paid for business travel away from home within the continental United States (CONUS) on or after April 1, 1996. These rates are shown in the chart *Maximum Federal Per Diem Rates*.

If the requirements of the high-low substantiation method described in Rev. Proc. 96-28 (see reference below) are met, the maximum per diem rate is treated as \$152 for any high-cost locality and \$95 for any other locality within CONUS. Localities where the per diem rate is treated as \$152 are listed in the chart *Localities Eligible for \$152 Per Diem Amount Under the High-Low Substantiation Method*.

The standard mileage rate for travel on or after January 1, 1996 is 31 cents per mile for all business miles and is 10 cents per mile for moving expenses.

For rules providing guidance and limitations on the use of these rates, see Revenue Procedures 95-54, 1995-52 I.R.B. 27, and 96-28, 1996-14 I.R.B. 31; 41 C.F.R. Part 301-7 (1995)(as amended); and Publication 463, *Travel, Entertainment, Gift, and Car Expenses*.

Additional Information. The federal per diem rates for nonforeign localities outside CONUS (Alaska, Hawaii, Puerto Rico, the Northern Mariana Islands, and U.S. possessions, etc.) and for foreign localities outside CONUS are published monthly in the *Maximum Travel Per Diem Allowances for Foreign Areas*. You can purchase this supplement from the: Superintendent of Documents, U.S. Government Printing Office, P.O. Box 371954, Pittsburgh, PA 15250-7954. Or you can order it by calling the Government Printing Office at (202) 512-1800 (not a toll-free number).

¹ Unless otherwise specified, the per diem locality is defined as "all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."

² Per diem localities with county definitions shall include "all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties."

³ Military installations or Government-related facilities (whether or not specifically named) that are located partially within the city or county boundary shall include "all locations that are geographically part of the military installation or Government-related facility, even though part(s) of such activities may be located outside the defined per diem locality."

Per diem locality		Maximum lodging amount (a)	+	M&IE rate (b)	=	Maximum per diem rate ⁴ (c)
Key City ¹	County and/or other defined location ^{2,3}					

⁴ Federal agencies may submit a request to GSA for review of the costs covered by per diem in a particular city or area where the standard CONUS rate applies when travel to that location is repetitive or on a continuing basis and travelers' experiences indicate that the prescribed rate is inadequate. Other per diem localities listed in this appendix will be surveyed on an annual basis by GSA to determine whether rates are adequate. Requests for per diem rate adjustments shall be submitted by the agency headquarters office to the General Services Administration, Office of Policy, Planning and Evaluation, Attn: Travel and Transportation Management Policy Division (MTT), Washington, D.C. 20405. Agencies should designate an individual responsible for reviewing, coordinating, and submitting to GSA any requests from bureaus or subagencies. Requests for rate adjustments shall include a city designation, a description of the surrounding location involved (county or other defined area), and a recommended rate supported by a statement explaining the circumstances that cause the existing rate to be inadequate. The request also must contain an estimate of the annual number of trips to the location, the average duration of such trips, and the primary purpose of travel to the locations. Agencies should submit their requests to GSA no later than May 1 in order for a city to be included in the annual survey.
