ALUMNI BIG UNCLES

Welcome to the AX Alumni Association Big Uncle Program. The alumni in this program would like to invite you over for dinner. We are targeting first term brothers because everyone is a first term brother at sometime. The idea is for the first-term brothers and their big brother to pick an alum household, call them up and make plans to go over for diner. However, this a flexible, social program, feel free to bring along SOs, roommates, new little brothers, big brother's big brother, etc., though four or fewer people is probably good. Just make arrangements with the household of your choice and write down the date you choose on the page following their description.

Everyone in this book is excited about meeting actives, so please spread yourselves around. However, it might be nice to go back to the same people in future terms so that there is a continuing relationship. But I leave this to your discretion.

Questions, comments, problems? Call or write me, Caroline Roos AKA C----- at `Cline17@aol.com` or 648-4014.
