I keep trying to find a light
On my own apart from you
I am the king of excuses
I've got one for every selfish thing I do

What's going on inside of me
I despise my own behavior
This only serves to confirm my suspicions
That I'm still a man in need of a savior

I wanna be in the light as you are in the light
I wanna shine like the stars in the heavens
O Lord be my light and be my salvation
'Cause all I want is to be in the light

The disease of self runs through my blood
It's a cancer fatal to my soul
Every attempt on my behalf has failed
To bring this sickness under control

What's going on ...
I wanna be in the light ...

Honesty becomes me
The secrets that did run me
Pride has no position
The fame that once did cover me
Has been sentenced to this earth

What's going on ...
I wanna be in the light ...
I wanna be in the light ...
There's no other place that I want to be
No other place that I can see
A place to be that's just right
It's gonna be it's gonna be in the light
As you are in the light
That's right where I want to be
That's right where I want to be
