1 Grace Flood | The OC Supertones

Often times I try to find value in myself by looking to the world for affirmation. The truth is that the world cannot make me feel lovable and cannot make me feel loved. Another truth is that I actually am not lovable, and yet I am loved by the greatest One of all time. Not only that, my life has been flooded with His grace, because of His unconditional love. ~ Tiffany

Solo: Tiffany Perc: Daniel + Esther

2 Deep (Way Down) | Selah

Deep, way down deep in my heart,
I've got the love, peace, and joy of Jesus!
Praise Him!

3 Shackles (Praise You) | Mary Mary

This song is a celebration of the freedom that we have been given through our dependence on God. All we have to do is ask and He will free us from our sins and our burdens of worry and doubt. Our awesome God will remove our shackles, freeing us to praise Him with all we are. ~Cristi

Solo: Esther + Cristi Perc: Ele + Daniel

4 God is God | Steven Curtis Chapman

To me this song isn't about giving up on understanding things, but rather about surrendering control to God, who actually does. It is so comforting to know that everything is in hands that are much more loving and powerful than mine. And I am starting to see at least a small part of how God can bring good even from our lowest moments. Sure, I still try to understand my circumstances, but it's good to know that God is so much bigger. ~ Daniel

Solo: Daniel Perc: Ele

5 Reason We Sing | Our Alumni Song!

Alumns, come on down and join us!! This is explains the reason why Cross Products exists!

6 Always Be My Home | Rachel Lampa

To me this song isn't about giving up on understanding things, but rather about surrendering control to God, who actually does. It is so comforting to know that everything is in hands that are much more loving and powerful than mine. And I am starting to see at least a small part of how God can bring good even from our lowest moments. Sure, I still try to understand my circumstances, but it's good to know that God is so much bigger. ~ Daniel

Solo: Miranda Perc: Daniel

7 Never Alone | Barlow Girl

In the book of Psalms, half of the time David is asking God where He has gone, why He has left him there to face his troubles alone. I think we all feel like that from time to time: we cry out to God and don't get an answer right away. We don't feel Him there. But God is listening, and he does answer us, though maybe not in the same second you ask. Just look at the other half of Psalms, the half where David praises God for being there always. We are all human and have our moments of doubt, but God is always there, always fighting for us, always with us. We are never alone. ~ Angela

Solo: Angela + Courtney Perc: Ele

7 You Found Me | FFH

I know that when I seek God, whether it be for His love, wisdom, peace, or anything else, He'll be there, and provide what I'm looking for in the way that's truly best for me. But what's even more remarkable (if it's possible for something to be more remarkable than the above) is that even when we turn away from Him, even when we try to fight battles on our own, even when we allow ourselves to sink into pits of despair, God still finds us. Even though we're not looking. Even though sometimes we don't even realize it. This song is a celebration of the fact that once we embrace Him, we will never be truly lost. ~ Albert

Solo: Albert + Fiona

7 Send Out a Prayer | Anointed

God listens to every word we pray in the name of Jesus, His son. In fact, he delights in our prayers, because it's a way for us to talk to Him, and that's what He desires most--for us to talk to him and love him because He absolutely loves and adores us! J So we sing this song to you as a blessing--The song says "We're to help each other, weather these storms together in the name of love." and we can do that through praying for each other...So we send out a prayer for you!! ~ Yeona

Solo: Ele + Yeona Perc: Esther

8 Via Dolorosa | Sandi Patti

For those of us born into a Christian home, the crucifixion can all too easily become just another Sunday School story. We've heard about it so many times growing up that in our minds it's become just another piece of information-- something we're so familiar with that we take it for granted. How often do we actually think about the horror of what Jesus went through at Calvary? If we try to understand the price He paid, we can begin to see how immensely He must love us in order to find us worth it. ~ Katie

Solo: Zeke + Katie

9 Child of Mine | Mark Schutz

"What marvelous love the Father has extended to us! Just look at it - we're called children of God! ...That's who we really are. But that's also why the world doesn't recognize us or take us seriously, because it has no idea who he is or what he's up to. But friends, that's exactly who we are: children of God. And that's only the beginning. Who knows how we'll end up! What we know is that when Christ is openly revealed, we'll see him and in seeing him, become like him." --1 John 3:1-3a ~ Gabe

Solo: Gabe Perc: Ken
