
Ritual 1

*“The Old Ones were, the Old Ones are, and the Old Ones shall be. Not in the spaces we know, but *between* them, They walk serene and primal, undimensioned and to us unseen.”*

– H.P. Lovecraft, quoting from the Necronomicon in “The Dunwich Horror”

You believe that the following ritual will start the Enlightened Ones on the way to total protection from the Ancient Ones.

This ritual may be performed in a hallway or room. You will need a power source and some capacitors that can be connected to create a capacitance of 1.1F. Remember, capacitors add in parallel. In series, take the inverse of the sum of the inverses.

Ritual Instructions

1. Engrave the following symbol at the place where you will perform the ritual (create the symbol on a flat surface using green tape). The symbol must be clearly visible to anyone who would wander by.¹

2. Connect the capacitors in the proper configuration such that the resulting total capacitance is 1.1F. Each capacitor takes 5 seconds to connect.
3. Connect the power supply, capacitor configuration, and symbol in series. This takes ten seconds.
4. Switch on the grounded power supply on a three-count.
5. If all living members of the Enlightened Ones were present for the duration of the ritual, find and open the packet attached to the bottom of the bench in 24-3.
6. Let a GM know that this ritual was completed and the location of the inscribed rune.

¹Hiding the symbol would insult the Great Ones. Are you ashamed of your devotion? ... didn't think so.
