## Final Ritual

---

The final ritual to appease the Great Ones and ensure your safety from the horrors of the extra-platonic realm is described below.

For this ritual to take place, you will require a human sacrifice with a pure soul. You will also require the Silver Dagger, the Amulet, the Coral Circlet, and the five focusing runes. You have been given four of the runes already; to find the fifth one, you might try the fourth ritual. Have three willing participants and a GM present. Designate one of the participants as the "ritual leader."

1. Take the victim to the place where the ritual is to be performed.
2. The ritual leader must put on the Amulet and the Coral Circlet.
3. The ritual leader must stab the victim through the heart on a three-count with the silver dagger. For this to work, the victim must be alive and either willing or unconscious.
4. Around the victim's fallen body, draw a five-pointed star in the victim's blood (physrepped by red tape).
5. Connect the five points of the star with blood, forming a large pentagon.
6. Just outside each of the five sides of the pentagon, draw one of the five runes in blood.
7. The three willing participants should now stand around the diagram in a circle, and in unison incant, "**We welcome you, Great Ones. We have completed your ritual; now let us be spared.**"
8. If all members of the Enlightened Ones were present for the duration of the ritual, find and open the packet attached to the bottom of one of the tables in 24-1.
