**THE SECOND TREATY OF DUNWICH**

This is an accord between the following great peoples of the earth and sea and sky:

The Air Dwellers, the Humans, the folk that walk on land and breathe the open air,

H'jrlvi'nndthu, who the Humans call POSEIDON ALPHA, the proud sea folk, devotees of Father and Mother, who dwell amidst the waves,

Ssthegh'rrltu'yac, who the Humans call VARUNA NINE, the cunning ocean-dwellers, who know all the names of the waters.

Let there be peace between us. Let none among us make war upon the other. Let the old agreements continue regarding the commerce of Humans, and let none of the Humans interfere with the doings of the sea folk.

The following terms of the treaty shall be set forth, and all shall abide by them:

The Human organization The Laundry shall deliver unto the nation of H'jrlvi'nndthu the sum of \_\_\_\_\_ tons of diridium per month.

The Human organization The Laundry shall deliver unto the nation of Ssthegh'rrltu'yac the sum of \_\_\_\_\_ tons of diridium per month.

The artifact known as the Pillar of the Depths shall belong to *[out-of-game: choose one]*:
