i approve of alex's ammendment
i also would be willing to submit my email
thanks girl
rose

From now, approvals should indicate also whether or not you approve of Alex Crumlin's recommendation for the first paragraph and of the letter itself.

In addition, please indicate if you would be willing to have the final draft of the letter include your e-mail address along with your name/position. This is how we will address the issue of including contact information.

Regards,

Jeanette C. Fershtman
