

MacGregor Dining Survey Fall 2002

This survey aims to gauge the interest of MacGregor residents in creating an improved in-house dining facility. Ultimately, HouseComm hopes to propose a renovation of our underutilized dining room (or TFL), providing the residents of MacGregor with a modern, communal dining and studying space similar to that in Next House.

1) On average, **per week**, how many dinners do you...

Cook for yourself: _____ Order out/dine off campus: _____
Eat at on-campus facility: _____ Purchase at MacConvenience: _____

2) Using the Next/Baker Dining rooms as references, if MacGregor had a similar facility, how would you anticipate using it? (check all that apply)

| <input type="checkbox"/> eat | <input type="checkbox"/> party |
| <input type="checkbox"/> study | <input type="checkbox"/> wouldn't use |
| <input type="checkbox"/> meetings | <input type="checkbox"/> Other: _____ |

3) Anticipated pilots for the spring include a "Midnight Café", a joint dining night with Next House, and more "ready made" food from Convenience. Would you be interested in a dining service within MacGregor? ☐ Yes ☐ No

4) If yes, what type of food(s) would you like to see? (i.e. fruits, salads, sandwiches, burgers, chicken wings, pasta entrees, etc.)

Also, what would be the best time for dining? (choose one)

5) What would you like to see changed about the TFL, dining room, and/or any other MacGregor facility to promote more dorm-wide community?
