Jeanette,

Great job writing all those notes up! That's a lot of work. Your notes are very concise, and I generally agree. I just have a couple corrections.

- (p. 1) My name is spelled Heidi (not Heide), Mike's last name is Cluff (not Cliff), and Deepti has an i at the end of her name.
- (p. 3) The computer system gave H-entry freshmen who ranked H-Entry 3 (not 4) and above.

Heidi

Attached is a copy of the minutes from last night's meeting. Entry chairs, if you could please forward this e-mail to people who were in attendance at the meeting last night but are not part of the mac-houseteam mailing list, I would greatly appreciate it.

I would like you all to look over the minutes to make sure they are accurate, including your "description" in the attendance list. I did the best I could to take notes last night but it is likely that I may have made a mistake or left something that you felt was important out. Please e-mail me any editions that need to be made.

I do not yet have the file of the statement that Swapna started the meeting with but it will be added as an appendix as soon as I get it.

Regards,
