Jeanette,

I agree with the letter other than changing "the" to "some" or "several" in the sentence, "The computerized system took into account only the rankings of the freshman, leaving **some** entry rooming representatives unsatisfied with the freshmen entry assignments." It really should be Sana or Deepti that approve this though.

From working with entries F and H, I have made the following revisions to the initial statement that I sent out earlier. Please continue to send me approvals or revisions as you deem necessary. I will be gone for most of the evening, but should be back by midnight so that I can incorporate further revisions so that we might get this out sometime tomorrow.

Thank you for your help and patience during this process.
