Jeanette,

I'm in FL at the moment and I can't seem to access the attached file using webmail. Seeing as how I am not able to read the document, I can't really submit approval. But, I also would not want to hold up the process just by the lack of my vote. I trust my fellow housecomm members, and if it's an all-go excepting my vote, by all means record my approval on behalf of B-Entry.

I'll be back at MIT tomorrow morn and will try to peruse it then. Let me know if you need anything else.

Aayesha
B-Entry Chair
