

Upcoming SIPB Events

SIPB Computer Stories

Wednesday, September 3, 8-10PM, 4-231

Legendary storyteller Jeffrey Schiller regales a crowd with his adventures running networking and security at MIT since before you were born.

Superblock Party (with pizza)

Sunday, August 31, 7PM, W20-557

We'll be hanging out in our spacious office to meet you all and show you what we're working on now, with a tour of our machine room. Plus, free food.

SIPB Meetings

Every Monday, 7:30PM, W20-557

SIPB holds a weekly meeting each Monday at 7:30PM.

Computer Tour of MIT

Wednesday, September 3, Time TBA, Lobby 7

Come see the giant machine room in W91 and others that house MIT services campus-wide, with tours by the people who run them. Plus a bonus session of computing stories from Jeff Schiller, before we head over to the main stories session in 4-231.

Check our website at <http://sipb.mit.edu/> for the exact time, to be published later this week.
