

INT. A theatre at MIT. A hot
August night.

NARRATOR

There are eight million stories
in the naked city. Get ready
for a doozy.

NYTC

The logo consists of the letters 'NYTC' in a bold, black, stylized font. The letters are slightly irregular and have a hand-drawn feel. Below the letters is a long, dark, horizontal shadow that tapers at both ends, giving the logo a three-dimensional appearance as if it's floating above a surface.
