Disclaimer:

MCW *AFNI*, its associated programs, and its documentation are provided as is, and no warranty for their correctness or usefulness for any purpose is made or implied by the Medical College of Wisconsin (MCW), or by the author of the software. Neither MCW nor the author accepts any liability for any defects in this software or its manuals, or for any damages caused by use of this software.

Ownership, Conditions of Use, and Restrictions:

- Permission is granted to make use of and to make copies of the MCW *AFNI* software and documentation for research purposes only. Ownership of MCW *AFNI* and all copies is retained by the Medical College of Wisconsin.
- Patient-care applications are not recommended. MCW *AFNI* has not been evaluated by or approved by the United States Food and Drug Administration, or by any other agency.
- Use by for-profit organizations is restricted to one computer system per registration. The derivation of commercial products, directly or indirectly, from MCW *AFNI* is prohibited.
- Redistribution of MCW *AFNI*, or any derived work, outside the receiving institution is prohibited without prior permission.
- Copies may be made within non-commercial institutions without separate permission from the Medical College of Wisconsin.
- Technical support (*e.g.*, the fixing of bugs, the explanation of documentation, etc.) for MCW *AFNI* is not guaranteed.

I agree to abide by the terms and restrictions above.
