Hi Everybody,

I feel that in the first paragraph after the bullets should be changed. Here it is in the letter:

"...Entry rooming representatives were unsatisfied because the computer algorithm did not allow upperclassmen the ability to select freshmen that they felt were suited for their entries. These unsatisfied representatives voted. and the House Rooming Chairs (mac-rac@mit.edu) ..."

and I believe the underlined portion should be changed to:

"... The rooming representatives voted, ..."

I feel this change should be made because all of the rooming reps. voted on the computer system.

Also, in addition to that I believe we need to add contact information to the last paragraph, so that interested parties will be able to join the task force, whether it be mac-exec, or mac-houseteam. Thank you  
-Alex
