Social Chair:

- Skate night next weekend (10/17 or 10/18) tentatively

- contact Candance Roy at Z-center about ring times

- Brunch tentatively November 9

- Midnight study break before Veterans day holiday

- probably a lobby break with tables set out (2 study breaks)

Semiformal on November 14

- Simmons and McCormick the same night - NOT attempting a tri-dorm formal

- possibly holding it with Burton Conner

- maybe push it one week further to November 21 so all dorms not having

formals on the same day

- most probably hold on Friday (people don't work Fridays)

- Halloween theme? Hotel and boat already done. Roof? Good Times Emporium? Email all theme ideas for formal to Deepti

New Social Chair Search

- Esther Dubrowski from A-Entry expressed interest

Halloween events

- pumpkin carving contest - probably held by GRTs
- Tues October 14 is GRT meeting

UA Upadate by Rose:

Hannah and Rose get \$50/semester for constituency communication and will probably use money to hold study break so MacGregor residents can come speak to our UA reps and voice what they want with the UA

Flag issue

- UA meeting to discuss how undergrads felt, what to be done, possible resolution, clarification of rules, work to get flags allowed
- MacGregor residents should email Rose with thoughts and opinions

Ghetto Party at East Campus

- hardly anyone read the actual email invitation
- if you have a copy, forward the original invitation to friends because UA can only send out reactions
- what is the power of the UA? power to make statements and pass resolutions - the administration respects its opinions
- UA not sure if planning a forum yet - spaces, times, possibility
- "people don't care because they don't know" but shouldn't be swept under the rug
- UA has responsibility to disseminate - send out disclaimer when sending out original invitation and keep invitation as a separate attachment to the email instead of within the body - people need to know what it contains before any forum can be held
- UA can send to all undergrads
