Attached is a copy of the Executive Committee's official statement to the house. We require that at least one person from each entry approve this letter before it goes out. Please e-mail your approval or disapproval to me by midnight tonight, as we want to get this statement out to the house as soon as possible. If you have recommendations for editions to the statement, please e-mail mac-exec@mit.edu.

Also, the letter mentions that the bylaws are attached to the file. They will be attached to the final e-mail sent to the house. For now, they can be found at

For your information, I will be posting the minutes from last night's meeting in the next two hours.
