I approve of the first letter, not the second letter. The second letter will not be sent with my signature.

(Thanks for your diligence throughout this process, Jeanette)

From working with entries F and H, I have made the following revisions to the initial statement that I sent out earlier. Please continue to send me approvals or revisions as you deem necessary. I will be gone for most of the evening, but should be back by midnight so that I can incorporate further revisions so that we might get this out sometime tomorrow.

Thank you for your help and patience during this process.
