yes

Attached to this e-mail is the latest copy of the official statement. Here are your instructions:

If you approve of the statement as is, hit "reply" and type "yes."

If you want to amend the statement, add you changes directly to the file and highlight changes in red. Hit "reply to all" so that we may all see your changes. Please do not simply write back to the list with an idea. Put your idea to words in the actual file.
