Hi Jeanette,

I approve of the letter with Alex's recommendation. I'd also be willing to have the final draft include my email along with my name and position.

Thanks,
Eddie Kay

From now, approvals should indicate also whether or not you approve of Alex Crumlin's recommendation for the first paragraph and of the letter itself.

In addition, please indicate if you would be willing to have the final draft of the letter include your e-mail address along with your name/position. This is how we will address the issue of including contact information.
