Alkermes, Inc.
Human Resources
64 Sidney Street
Cambridge, MA 02139

Dear Sir or Madam,

I am interested in openings within Alkermes, Inc. for the position of associate scientist. I have extensive experience in a laboratory setting in the areas of protein chemistry, cellular biology and enzyme kinetics. Most recently I have organized and run an enzyme kinetics laboratory involved in searching for novel protease inhibitors. I have enclosed my resume for your perusal. Please contact my by email at cjsmith@mit.edu or by phone at (617) 628-0406 with questions or to set up an interview. Thank you.

Sincerely,

Carolyn Jean Smith

Dear Sir or Madam,

I am interested in openings within Procept for the position of associate scientist. I have extensive experience in a laboratory setting in the areas of protein chemistry, cellular biology and enzyme kinetics. Most recently I have organized and run an enzyme kinetics laboratory involved in searching for novel protease inhibitors. I have enclosed my resume for your perusal. Please contact my by email at cjsmith@mit.edu or by phone at (617) 628-0406 with questions or to set up an interview. Thank you.

Sincerely,

Carolyn Jean Smith
