

Interested in chamber music
and community service?

Join the MIT Ribotones

We're MIT/Harvard students, alumni, and faculty who love playing music. We regularly perform community concerts at nursing homes and hospitals in the Boston area. In addition to musical outreach, we hold fun chamber music reading sessions and social events!

Interested in joining as a musician this summer/fall or having us perform at your venue/event?
Reach out at ribotones-exec@mit.edu!
