Compass on the Bay—Senior Citizen's Home

- Contact: Julie Platz jplatz@compassonthebay.com
- **Past event description:** We made bird feeders out of ice cream cones, peanut butter, and seeds with Alzheimer's patients. The main part of the event was interacting with the senior citizens

Salvation Army Christmas Castle

- Contact: Christina Shaughnessy (christina.shaughnessy@use.salvationarmy.org)
- **Past event description:** We helped set up for the Salvation Army Christmas Castle by sorting a lot of coats and setting up tables.

Red Cross Boston Food Pantry

- Contact: Peter Hubbard (peter.hubbard@redcross.org)
- **Past event description:** Helped prepare and distribute bags of food to families during the 9am-12pm window that the pantry was open. There were several different tasks, such as loading different fruits and vegetables into bags, splitting up large shipments of fish or meat, and carrying bags of food to clients cars. We helped over 350 families during our time there, and the experience was very rewarding! Book in advance, as Saturdays tend to fill up volunteer-wise.

Engineering Minority Outreach Club

- Contact: SHPE Community Service Chair (shpe-exec@mit.edu)

First Korean Church in Cambridge

- See facebook page here: <https://www.facebook.com/lovefkcc/>
- Flexible volunteering: Saturday evening food pantry and homeless dinner
 - 4:30-7:30 pm
- Don't need to be Christian/religious

· **Past event description:** Giving a presentation/panel about the different types of engineering and motivating minority students to become the next generation of STEM leaders. The presentation was followed by tutoring services.

Greater Boston Food Bank with GAME and Sid-Pac

- This happens approximately monthly. Look for an email from whoever organizes it.
