Professional Builders also specialize in quality craftsmanship in designing and installing new bathrooms, kitchens, and additions for homes. Call 633-2727 for free estimates.

The Appliance Warehouse is the largest single General Electric appliance outlet in Western New York. David D. Sarles and John P. Franz, Jr. operate the 6,000 sq. ft. showroom and 10,000 sq. ft. warehouse and offer the most complete selection of kitchen appliances and video products in the WNY area. On weekdays, sales at this wholesale appliance distributor are restricted to dealers, builders, and apartment owners only. However, it is open to the public on Saturdays and Sundays from 10 AM to 4 PM. The Appliance Warehouse has one giant location at 4513 North Bailey between Eggert and Sheridan.

American Eagle Stoves, local manufacturer of wood-burning stoves and inserts, has introduced a new, energy-efficient catalytic model. The Golden Eagle stove boasts up to 79% efficiency and reduces creosote build-up by 90%. It has a 12 to 24-hour burning time and consumes 40-50% less wood than conventional stoves. The Golden Eagle was selected and tested for emissions and efficiencies by the N.Y.S. Energy Research & Development Authority. American Eagle is the stove of the future today! Visit its stores at 6711 Transit Road, 5798 Transit Road, and 8962 Porter Ave., Niagara Falls. Open 9-9 Mon.-Fri.; Sat. 9-5.
